In the IDS dated January 14, 1999, applicant submitted a number of foreign references and entered "no" under the translation column on selected entries. Applicant is providing herewith abstract translations, search reports, or in some cases where available, more complete translations or U.S./U.K. related patents of the listed non-English foreign references.

Please note that in the IDS submitted July 9, 1997, ES 283078 is related to U.S. Patent No. 4,877,020, JP 57-29348 is related to U.S. Patent No. 4,349,921, and JP 61-122859 is related to U.S. Patent No. 4,759,766, all of which were also submitted in the IDS dated July 9, 1997. Additionally, the applicant submits herewith the following U.S./U.K. related patents corresponding with the following non-English references:

DE 1961531 GB 1291470

DE 2446039 GB 1492990

DE 4104359 US 5,279,292

FR 2295729 GB 1531487

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and applicant(s) determine(s) that the cited document(s) do not constitute "prior art" under United States law, applicant reserves the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of

the documents be applied against the claims of the present application. If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 50-1066.

Respectfully submitted,
